Subject: Please SUPPORT SB 1129 to reform the early prison release system

Dear Committee Members:

Please add my voice to those who write to ask for your SUPPORT for SB 1129, which aims to reform the early prison release system.

This bill adds manslaughter, persistent dangerous felons and sex offenders, aggravated sexual assault of a minor, and assault of pregnant woman resulting in loss of fetus as crimes for which a person cannot earn risk reduction credits. It would also require a prison warden to review and sign off on risk reduction credits earned by an inmate.

Please SUPPORT this bill and make our communities safer.

Thank you for your valuable time and consideration.

Sincerely,

Bonnie West
